**INTERNATIONAL  
PHOTOGRAPHY  
CONTEST**

*Reserved to Secondary High School Learners*

# *“The world in my eyes”*

“The world in my eyes” International Photography Contest is open to all Secondary High School Learners.

**The contest aims:** collecting images, places and characters from the different real contexts where the youth from Europe ... and beyond lives, with the purpose of trying to better read the world where we live.

**Learners may like:**

- to tell what happens in front of them under their eyes;
- to catch their feelings in front of the shows of nature into a snap;
- to describe the real context of their countries, their city, their school, or their district.

**The back of each photograph must contain:**

photographer's name, work title, place and date, class and school being attended, city, address, telephone number, e-mail. As a caption, the learner may add a sentence, a few lines of poetry, or a short comment. Competitors are requested to disclaim every property right connected with their work copyright and are responsible for their work content.

**The award ceremony** will take place in May 2011. Winners will receive prizes and awards. All competitors will be given a certificate of participation. An exhibition of works will be organized.

**Participation fees:** no fees are to be paid by competitors to join the contest, which is completely free.

**Deadline:** April 15th, 2011.

**Addressee:** Istituto Tecnico Statale “G. Mazzocchi” Via Marche, 1 - 63100 Ascoli Piceno Italy
