Do they know it's Xmas?

(Band Aid 20)

It's Christmas time,

There's no need to be afraid

At Christmas time we let in life and we banish shade

And in our world of plenty we can spread a smile of joy

Throw your arms around the world at Christmas-time.

But, say a prayer. Pray for the other ones.

At Christmas time it's hard

But when you're having fun

There's a world outside your window

And it's the world of dread and fear

Where the only water flowing is

The bitter sting of tears

And the Christmas bells that ring there

Are the clanging chimes of doom

Well tonight, thank God, it's them

Instead of you

And there won't be snow in Africa this Christmas time

The greatest gift they'll get this year is life

Where nothing ever grows

No rain no rivers flow

Do they know it's Christmas time at all

Here's to you raise your glass for everyone

Here's to them underneath the burning sun

Do they know it's Christmas time at all?

Feed the world (3)

Let them know it's Christmas time…
