

EMB Gravity

EMB GRAVITY is a Game based on a bullying vocabulary database on quizlet.

It can be played on several levels and is getting more and more difficult...

Before beginning you should train by studying the words [here](#) !

Then you can play it as a competition (Who gets most points ?)

You can play it on any media which can be connected to the internet. You don't have to log in or create an account

Everybody will learn the rules quickly and it doesn't really need any preparation. It's played within some minutes !

Here you can find and play it :
