One girl

tonito2003

One girl wanted a tablet. She begged her mother to buy her one. Her mother said that she would receive one if she gets a good grade at school.

The next day she got an
A in English and her
mother bought the tablet.

She boasted at her friends. They told her to make a profile in twitter. When she did it, an anonymous man began to write.

The girl told her mother about some obscene messages he sent.

Her mother advised her to stop contacting this person and to delete the profile.

Her mother said if she hadn't spent so much time in the Net, she would not have read such offensive messages.

She thought about her mother's words and decided from now on to go out and spend more time with her friends.

The end
