Dating Site

One day I asked my parents to buy me a laptop, because my friends had but I did not.

Dating Site

One day when I got home my parents were waiting for me at home to give me a present - a laptop. I did not expect that they will buy it for me, I was very happy!

Dating Site

One day I decided to visit a dating site. There I found a friend. On this profile picture he looked very good. We got to know each other thanks to this site and sent photos. But one day I visited to this site and saw my indecent photos. I didn't know who uploaded them!

Dating Site

I told my mother. She was very worried about me. She asked me where those pictures are from and I replied that surely that boy uploaded them. Then my mom told me not to go more into this dating site and not to write to strangers anymore!

The end!
