

Bullying

Silmel Nicoroz

Mark is eleven years old.
He is adopted. He has
always known it, but his
classmates don't
understand it.

His teachers are always angry with him because his marks are very bad. He thinks it is because people laugh at him.

One day a new girl came to school, Susan.
She was adopted too! Mark wasn't alone
anymore.

Their parents became good friends. They hanged out together. They were the best friends on the whole world.

They grew together and they're still good friends.
