

## Μ ό ν ο π ρ ώ τ ο ι

Συμπληρώστε τα ψηφία του παρακάτω πολλαπλασιασμού χρησιμοποιώντας μόνο πρώτους αριθμούς (2, 3, 5, 7).

The diagram shows a multiplication problem template. On the left, there are two numbers being multiplied, each with three empty boxes for digits. A horizontal line separates the two numbers. Below the line, there are four empty boxes for the product. To the right of the template, there are four black boxes containing the red digits 2, 3, 5, and 7, indicating the allowed digits for the problem.
