

Curriculum Vitae

Dr. Spyridon Papadakis

B.Sc., PGCE, M.Sc., Ph.D

*Organizational Coordinator, Regional Centre for Educational Planning in Western Greece
Educational Coordinator, Computer Science, Western Greece
Adjunct Faculty, Hellenic Open University (HOU)*

*E-mail: papspyr@gmail.com; compapadakis@sch.gr; spapad@cti.gr

June 2020

Research Interests

According to the ACM Computing Classification System (1998)

[<http://www.acm.org/class/1998/>]:

- K. Computing Milieux. K.3 Computers and Education, K3.1 Computer Uses in Education (Distance Learning)
- A deep understanding of how people interact, collaborate, work, and learn as a foundation for the design of novel e-learning, mobile learning and the Internet of things in education

Information and Communication Technologies in Education and in particular

- Collaborative learning, online learning communities
- Distance learning technology and methodology
- Educational Software,
- Learning design, the design of computer-enhanced curricula, the design and evaluation of web based learning technologies,
- Adult education, teachers training, teaching and learning in virtual and blended learning environments.

Education

- University of Patras, Patras, Greece (Bachelor in Mathematics, 1985)
- Hellenic Open University, Patras, Greece (M.Ed, Adult Education, 2009)
- Hellenic Open University, Patras, Greece (PhD, Computer Science, 2010)

Publications

65 papers with over 200+ citations (by other researchers) published

- 19 papers in international journals
- 36 papers in fully refereed international conferences
- 6 papers in Greek refereed journals
- 10 books in Greek
- 3 chapters in Greek & 2 chapters in English books
- 63 papers in National refereed conferences

Academic Experience

- 5 years of distance teaching of undergraduate & graduate courses ('Thematic Units')
 - 1 year (2019-2020), Informatics and Education, "Computer Science", Undergraduate Program, Hellenic Open University (HOU)
 - 2 years (2016-2018), 'Distance Education' in the Master's program in Education", Hellenic Open University (HOU)
 - 3 semesters (2013, 2014, 2016) 'Educational Technology'. in the Master's program "Information and Communications Systems, Open University of Cyprus (OUC),
 - 1 semester (2017) "Distance Learning – Technologies and Methodologies" in the Master's program "Information and Communications Systems, Open University of Cyprus (OUC),
 - 1 semester (2019) "Online Communities and Design" in the Master's program "Social Information Systems, Open University of Cyprus (OUC),
- Supervision of over 2 undergraduate and 34 Master theses at OUC and HOU

Member of editorial board of "The Journal of Teaching English with Technology (TEwT)" and of the "Journal Educational Circle". He serves as a reviewer for journals (including Computers &

Education, The International Journal on Artificial Intelligence Tools, The Journal for Open and Distance Education and Education Technology) and conferences.

Professional Career

- 2018 - Organizational Coordinator, Regional Centre for Educational Planning in Western Greece, Ministry of Education, Research and Religious Affairs
- 2018 - Educational Coordinator, Computer Science, Western Greece, Ministry of Education, Research and Religious Affairs
- 2016-2018 Director of Educational Centre of Patras, Ministry of Education, Research and Religious Affairs
- 2012-2018 School Advisor (“Inspector”), Computer Science, Regional Directorate of Primary and Secondary Education in Western Greece
- 2002-2018 Adjunct Researcher, Computer Technology Institute and Press "Diophantus"
- 1993-1999 Computer Science Teacher (Secondary Education)
- 1986-1993 Freelance Analyst and Programmer - Software Development

Research & Development Project Participation

He has participated in over 10 research and development projects ([TRENDS](#), [ODYSSEAS](#), [First Level ICT Teacher's](#), [Second Level ICT Teacher's Training TICTC](#), [REVIT](#), [OBELFA](#), [LEVIS](#), [UMI-Sci-Ed.](#)) in the area of educational and Emerging Technologies for Learning.

Project name and Period	Program, Funding	Project objective
TRENDS 1996-1998	European Union	TRaining Educators through Networks and Distributed Systems. Developing and effectively offering education to teachers, in order to improve the quality of general-purpose teaching services and to create new jobs in the area of education. Focus on the improvement of existing Open Distance Learning (ODL) techniques, as far as multimedia and telematics themes concern, using the newest methods of Information Services.
ODYSSEAS /Odysseia (1996-2000)	Greek Ministry of Education (ΕΠΕΑΕΚ)	integrated ICTE utilization in 400 high schools: infrastructure, network, software, teacher training
OBELFA 2005-2007	European Lifelong Learning Program Grundtvig 1	Open Blended eLearning for Adults
LEVIS 2006-2008	European Commission, Socrates Project	Learning via Subtitling
TICTC 2006-2009	European Lifelong Learning Program, Comenius 2.1	TICTC: Teachers ICT Competences. A way to effective learning for children with hearing difficulties
REVIT 2009-2011	European Lifelong Learning Program	Revitalizing Small Remote Schools for Lifelong Distance e-Learning
UMI-Sci-Ed. 2017-2019	Horizon 2020	UMI-Sci-Ed (Exploiting Ubiquitous Computing, Mobile Computing and the Internet of Things to promote Science Education)
STEMonEDU 2020-2022	Erasmus+KA3	Adoption and impact of ST€AM education by investing in the community of stakeholders and the professional development of educators.

Personal Data

58 years old, Greek national, born in Chania - Crete, Greece, married, one adult son. Spyros lives in Achaia (Epirou 19-21, GR-262 23, Patras, Greece), +30 6977 777 633, papspyr@gmail.com. He is passionate in teaching and enjoys sharing open educational resources, and collaborating with others. Spyros is the coordinator of the Greek Educator LAMS Community. He likes to play the harmonica, tennis, chess and enjoys travelling.
