

The screenshot displays the Alice 3.4.0 software interface. The title bar reads "Alice 3.4.0 C:\Users\penelopever\Documents\ALICE\MyProjects\HANDSHAKE.a3p *". The menu bar includes "File", "Edit", "Project", "Run", "Window", and "Help".

The main 3D scene shows two characters standing on a green field under a blue sky. A "Run..." button is visible in the top right of the scene area. A "Setup Scene" button is located in the bottom right of the scene area.

Below the scene is a "this" object bar with a dropdown menu. At the bottom left, there are tabs for "Procedures" and "Functions".

The right-hand side of the interface is the script editor, titled "Scene". It shows a procedure named "myFirstMethod" with the following code:

```
