I will survive - Gloria Gaynor

*At first I was afraid I was (1)
Kept thinking I could never live
Without you by my side
But then I (2) so many nights
Thinking how you did me wrong
And I grew strong
And I learned how to (3)

And so you're back, from outer space
I just walked in to find you here
With that sad look (4) your face
I should (5) that stupid lock*

I will survive

*I should have made you leave your key
If I (6) for just one second
You (7) back to bother me

Go on now go, walk out the door
Just (8) now
'Cause you're not welcome anymore
Weren't you the one who tried to break me
with goodbye
Did you think I'd crumble?
Did you think I'd lay down and die?*
